## *Are you ready.....?*

Growth and development is imminent. Are you prepared when development comes to your town? Do you have the tools to protect your city?

- Do you have a strategic plan or an updated comprehensive plan, thoroughfare plan or parks master plan?
- Do you have appropriate polices, codes and ordinances?
- Are you protected?

Join us and your neighboring cities in learning how other north Texas cities are dealing with growth and development.

Three North Texas Mayors will participate in panel discussion about their experiences in dealing with growth in their respective cities and help your city prepare for the future.
